*Accelerated students only:*

3) \_\_\_\_\_, by \_\_\_\_\_ (Required List)

In September 2009, I will share my thoughts about my book(s) with my English class based on an assignment that will comply with New York State Language Arts Standards. Here's how I will be assessed:

Primary required book(s):.... In-class writing assignment

Secondary book of student's choice:.... At-home response to be shared with class

I have received the **Summer Reading Questions for Required Book** that will guide my required reading over the summer in preparation for the assessment piece I will complete in the fall. In addition, I will use **Responses to Summer Reading** and **Reading Journal Questions** to aid me in responding to my secondary text of choice. This assignment will be handed-in the first week of school.
